

### Rooted in Jesus Training Diocese of Khahlamba by Siphokazi Ngcobo

I was so blessed to be a part of the Rooted in Jesus training team in the Diocese of Khahlamba. I am so grateful that I was able to share it with those who attended! Thank you to Vicar General Siyabonga and the amazing people for being so engaging and hungry for the Rooted in Jesus Training!

We were blown away by the 105 people who attended and that they were so hungry to learn and grow. We are so grateful to God for the wonderful time of ministry, teaching and prayer we all enjoyed together.

The Rooted in Jesus training not only gives people tools to share their faith but also teaches, encourages, and builds up one's own faith. It was exciting being part of the team and one of my joys was to see so many people engaged in the various messages and seeing them hungry to know more about Jesus and this new way of teaching.

We were reminded that GtC is not just about training people to be followers of Jesus but true, rooted and grounded disciples! Thank you for inviting me on this exciting journey!
